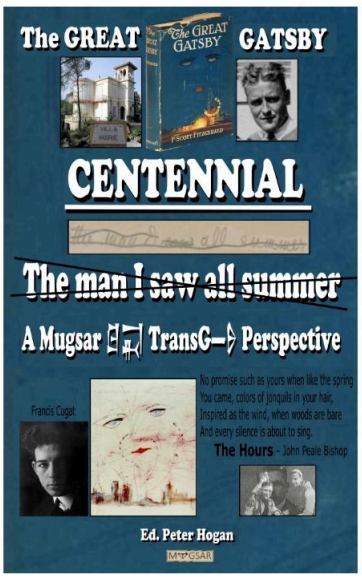
10. Apr 15 '24 - Decision



The GREAT GATSBY
CENTENNIAL
The man I saw all summer
A Mugsar TransG—Perspective
Francis Cugat
No promise such as yours when like the spring
You came, colors of jonquils in your hair,
Inspired as the wind, when woods are bare
And every silence is about to sing.
The Hours - John Peale Bishop
Ed. Peter Hogan

⏰Gatsby Centennial Timeline Countdown
10. Apr. 15, '1924
Fitzgerald's ledger records "Decision on 15th to go to Europe." Since he could not settle down to steady work on his novel at Great Neck, the idea was go to the Riviera where life was simple and inexpensive. Five months of magazine story work had gotten him $7,000 ahead, and he hoped to be able to write on the Riviera without drunken party distractions.

Gal 1—Fitzgerald's Trimakhio—46725—12-12-31
CHAPTER I

In my younger and more vulnerable years my father told me something that I've been turning over in my mind ever since.

"When you feel like criticising any one," he said, "just remember that everybody in this world hasn't had the advantages that you've had."

He didn't say any more, but we've always been unusually communicative in a reserved way, and I understood that he meant a great deal more than

⏰ Gatsby Centennial Timeline Countdown
[10…]
1. Apr 10th '1925 Publication
After two months on Capri left in April for Paris.
As publication date approached, became increasingly jittery…
Gatsby published at $2 in a first printing of 20,870 copies.
A second printing of 3,000 copies was ordered in August, and some of these copies were still in the Scribners warehouse after passing.
At a 15% royalty, the first printing earned $6,261 canceling $6,000 debt to Scribners.
